If paid in cash, immediately before the sale, this should preferably be in the form of Madras notes for Rs 1,000 or Rs 500. A receipted treasury chalan for the amount will also be accepted. A cheque may be accepted from old established buyers only for the amount at the discretion of the officer conducting the sale.

6. The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is over, and that of successful bidders will be credited towards the purchase price as provided in condition 8.

7 Each purchaser shall, immediately a quantity is knocked down to him, sign his name at the foot of the sale list, in the column provided for the purpose, and such signature will be held as an admission on his part of his having purchased that particular quantity and of having accepted the conditions of the sale notice. No person will be allowed to deposit and bid jointly at the sale.

8 Immediately the sale is over, each purchaser, if his offer for any definite quantity has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount into the Imperial Bank of India at Coimbatore or the Reserve Bank of India at Madras, within fifteen days of receipt of the order of confirmation of the sale and another 25 per cent before 25th January 1941, the balance of 50 per cent less the earnest money deposit being paid on or before 28th February 1941, or against delivery whichever is earlier. Should any purchaser fail to make the necessary remittances by the due dates the money already remitted shall lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss but shall not participate in any profit which may arise by the resale.

9. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the sandalwood may be made to the purchaser provided that until payment has been made in full, delivery shall not exceed the quantity paid for, less an amount equal in value to 25 per cent of the full purchase price.

The delivery will be by full lots at a time and no lot will be delivered by portions.

10 On the purchaser's presenting challans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 9 supra. If, however, proof is produced that the entire sale value has been paid the whole of the sandalwood purchased will be weighed and handed over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 10th March 1941.

11 The accepted bidders when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power of attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

12. No further cleaning or classification of sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted.

13 After the wood has once been weighed and handed over, if the purchaser fails to remove all the wood within the voids allowed in clause 10, demurrage will be charged at the rate of Rs. 2 per ton per diem from the last date fixed for delivery until the wood is fully removed.

14. No sandalwood shall be removed from the depot till a licence to remove it, signed by the officer of the Forest department, who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped bears the district "Sale hammer" mark.

15. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

16. The purchaser shall bear the cost of taking delivery of sandalwood which work will be done only by labour supplied by the officer in charge of the depot. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed.

17. Each intending bidder, unless specially exempted by the Conservator of Forests, Coimbatore Circle, Coimbatore, on an application made in writing at least fifteen days before the date of sale must produce a solvency certificate signed by a responsible Revenue Officer of the district in which he resides; and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates. In lieu of the solvency certificates the bidders may deposit cash with the officer conducting the sale and they will be permitted to bid up to the value of cash deposited.

18 The purchaser should give at least seven days' notice of his intention to take delivery, to the District Forest Officer, Coimbatore North, Coimbatore, supported by bank remittance in token of payment. No delivery will be made on holidays.

19 Any supplementary conditions that may be found necessary will be added and read out at the time of auction.

NOTE.—A detailed list showing the actual quantities in each class that will be offered for sale will be given to each bidder before the commencement of the sales.

2. The wood has been classified according to the classes noted above. Intending purchasers are advised to inspect in advance, the lots put up for sale, but they must accept the classification made in the depot as final.

3 The various classes have been stored in the sandalwood godown in lots of 10, 15 and 20 tons for convenience, but the lots as exposed will not constitute an actual lot for which bids will be accepted. Each class of wood will be offered for sale separately in lots of 20, 15 or 10 tons or less as convenient, such lots merely consisting of a certain quantity of the class of wood then being sold. Bids will be per ton of each class of wood.

The bids shall be advanced in multiples of Rs. 5 per ton and not less.

4. The sale will be subject to confirmation by the Conservator of Forests, Salem Circle, who does not bind himself to accept the highest or any bid.

5 Before being allowed to bid, each intending bidder must pay an earnest money deposit of Rs 1,000. If paid in cash immediately before the sale, this should preferably be in the form of Madras notes for Rs. 1,000 or Rs 500. A receipted Government treasury chalan for the amount will also be accepted. In the case of intending bidders who have previously bought sandalwood from the Forest department, a cheque on the Imperial Bank of India for the amount will be accepted, but the discretion to accept such cheques rests entirely with the officer conducting the sale. This amount (the earnest money deposit) will be retained as security for the due fulfilment of the conditions 9 and 10 infra.

6. If two or more persons in partnership attend the sale with the intention of purchasing wood jointly, only one member of the partnership will be recognized for purpose of bidding and the deposit will be accepted in his name.

7. The earnest money deposit of unsuccessful bidders will be refunded immediately after the sale is over, and that of successful bidders will be credited towards the third instalment of the purchase price.

8 Each purchaser shall, immediately a lot is knocked down to him, sign his name at the foot of the sale list, in the column provided for the purpose, and such signature will be held as an admission on his part of his having purchased that particular lot and of having accepted the conditions of the sale notice.

9 Immediately the sale is over, each purchaser, if his offer for any particular lot has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount into any of the Government treasuries in the district of North Arcot or the Imperial Bank of India at Vellore or the Reserve Bank of India at Madras, within twenty-one days of the confirmation of the sale and another 25 per cent before the 17th January 1941, the balance of 50 per cent into the earnest money deposit referred to in condition 5 supra, being paid on or before 22nd February 1941 or against delivery, whichever is earlier. Should any purchaser fail to make the necessary remittances by the due dates, the money already remitted will lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

10. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the sandalwood shall be made to the purchaser provided that until full payment has been made a quantity of wood equivalent to 25 per cent of the full sale value shall remain unremoved, but paid for.

The delivery will be by full lots at a time and no lot will be delivered by portions.

11 On the purchaser's presenting chalans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 10 supra. If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and handed over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 5th March 1941.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased before effecting removal. If any one purchaser has purchased more than one lot or class and if there is any excess in one lot or class and deficit in the other, when weighing at the time of delivery on a particular day, the value of the deficit noticed calculated on the rate at which the main lot or class was sold will be adjusted towards the value of the excess quantity noticed in the other lot or class as the case may be, and the balance, if any, still due from the purchaser will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a deficit on account of excess over the recorded quantity at the time of sale, the value of the deficit quantity at the purchased rate will be refunded on due course.

12. The accepted bidders, when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

13 No further cleaning or classification of sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood after purchasement. The classification, cleaning and weighment as determined by the Forest department, must be accepted.

14 After the wood has once been weighed and hauled over, if the purchaser fails to remove all the wood within the period allowed in clause 11, demurrage will be charged at the rate of Rs 2 per ton per diem from the last date fixed for delivery until the wood is finally removed

15 No sandalwood shall be removed from the depot till a licence to remove it signed by the officer of the Forest department, who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped bears the department's 'sale hammer' mark

16 The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

17 The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed.

18 The purchaser shall bear the cost of taking delivery of sandalwood The depot contractor will supply the required labour for taking delivery of the wood No persons other than those supplied by the contractor will be allowed to enter in the depot premises.

19 Each intending bidder unless specially exempted by the Conservator of Forests, Salem Circle, Salem, on an application made in writing at least fifteen days before the date of sale, must produce a solvency certificate specifying the maximum up to which he is solvent signed by a responsible Revenue Officer of the district in which he resides, and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificate. In lieu of the solvency certificate the bidders may deposit cash with the officer conducting the sale and they will be permitted to bid up to the value of cash deposited
